

REMARKS

Claims 28-54 have been allowed.

The Notice of Drawing Inconsistency with Specification notes that the drawings include Fig. 1 but the Brief Description of the Drawings does not list Fig. 1.

This Amendment corrects the above-described inconsistency by adding a brief description of Fig. 1 to the Brief Description of the Drawings. The added brief description is supported by the specification at page 5, lines 1-20, for example.

It is believed that the Notice has been obviated. If any questions arise, the undersigned attorney may be telephoned at the number given below.
